BOOK GRANT SCHEME

It is difficult to implement this scheme in a manner that is fair and equitable. Despite the ever-increasing cost of schoolbooks, every effort is made to keep the cost to families as low as possible.

The Department of Education states that relief may be given to a "necessitous pupil". A "necessitous pupil" is defined as a child "from a home where genuine hardship exists, because of unemployment, prolonged illness of parent, large family with inadequate means, mother a widow or other circumstances that would connote a similar degree of domestic financial hardship."

Only families who feel they meet the definition of a "necessitous pupil" should return the Book Grant application form below. Decisions as to eligibility will be made based on the information supplied and families will be notified in due course.
