Welcome to
Athy College
Choosing your Subjects

Dear Parent,

Thank you for enrolling your son/daughter in Athy College. We look forward to meeting your son/daughter at the beginning of the academic year in September.

The next step in the process is for your son/daughter to select their first year subjects. All students in first year study the following subjects:

Choosing your Subjects

All First Year students study:

- English
- Gaeilge
- Science
- Maths
- History
- Geography
- Religion
- PE

Choice 3: Pick one (not the same as already picked)

- Home Economics
OR
- Business Studies
OR
- Art
OR
- Materials Technology (Wood)
OR
- Engineering (Metal)

You will now need to make your selection from the choices below:

Choice 1: Language

- Spanish
OR
- French

Choice 2: Pick one

- Home Economics
OR
- Music
OR
- Art
OR
- Materials Technology (Wood)
OR
- Technical Graphics
OR
- Engineering (Metal)

HOW DO I SUBMIT MY CHOICES?

Next week you will receive a text message from the College with a username for our Vsware system. You will have to create a password for your account by going to: www.athycollege.vsware.ie.

Further information on creating this account can be viewed on: www.athycollege.ie. On the right-hand side of that web page is an icon called First Year Subjects. This page contains videos explaining how to access Vsware and how to submit your choice.

If you have any questions in relation to options or Vsware please email: scoffey@athycollege.ie
