1 GLOSSARY OF TERMS

'Applicant' means the parent / guardian of a Student, or, in the case of a Student who has reached the age of 18 years, the Student, who has made an application for admission to Athy College.

'Student' means the person in respect of whom the application is being made. All uses of the word throughout this Policy therefore imply 'prospective' as part of the interpretation. That is, the use of the word 'Student' does not mean that the application for him/her has been accepted such that s/he is regarded as a Student of Athy College by virtue of application alone.

'Gender', in line with the definition of "*the gender ground*" in the Equal Status Act 2000, is such that "*one is male and the other is female*". This does not prejudice any Student who is Intersex or identifies as Androgynous/Androgyne, Bigender, Demigender, Gender Fluid, Genderqueer, Multigender, Neutrois, Non-binary, Transgender, Transsexual or otherwise.

'Catchment Area' refers to the designated residential area for application to all classes other than the Special Class in Athy College in respect of the person on whose behalf the application is being made. The catchment area for Athy College is defined as the area where Athy College is the nearest post-primary school as deemed by the Department of Education and Skills and Bus Eireann for transport purposes:

'Catchment Area for the Special Class(es)' refers to the designated residential area for application to the Special Class(es) within Athy College in respect of the person on whose behalf the application is being made. The catchment area for Athy College is defined as the area where Athy College is the nearest post-primary school as deemed by the Department of Education and Skills and Bus Eireann for transport purposes:

'Parent' has the same meaning as in the Education Act 1998 and includes a foster parent and a guardian appointed under the Guardianship of Children Acts, 1964 to 1997.

For the purpose of the selection criterion relating to the student having a sibling who previously attended the school, **'Sibling'** refers to full siblings, half-siblings, foster-siblings and step-siblings.

For the purpose of the selection criterion relating to the student having a sibling currently enrolled in the school, **'Sibling'** refers to full siblings, half-siblings, foster-siblings, step-siblings and students who reside in the same household.

[Note: the wider definition of sibling in the second of the two paragraphs immediately above is for the purpose of facilitating families who are required to do more than one drop-off and/or collection to/from the school.]

'ASD Class' means a class that has, with the approval of the Minister of Education and Skills, been established by a school to provide an education exclusively for Students with a category or categories of special educational needs specified by the Minister of Education and Skills . Athy College has two ASD Classes, established to cater for special educational needs of Students with a written medical diagnosis of Autistic Spectrum Disorder **in addition to** a written recommendation from a medical/clinical professional and/or educational psychologist for placement at second-level in an ASD Class attached to a mainstream secondary school.

'First-Year' means the intake group of Students for the most junior class or year in a school.

2 ADMISSION STATEMENT

The school recognises that its students are of varying cultural and religious backgrounds, aspirations and abilities.

Accordingly, Athy College shall not discriminate in its admission of a Student based on the following grounds:

- 2.1. Gender of the Student or Applicant. However, where a school admits students of one gender only, it is not discriminatory to refuse to admit Students not of that gender;
- 2.2. Civil status of the Student or Applicant;
- 2.3. Family status of the Student or Applicant;
- 2.4. Sexual orientation of the Student or Applicant;
- 2.5. Religion of the Student or Applicant;
- 2.6. Disability of the Student or Applicant;
- 2.7. Race of the Student or Applicant;
- 2.8. The Student's or Applicant's membership of the Traveller community;
- 2.9. Special educational needs of the Student or Applicant. However, where the school provides education exclusively for a category or categories of special educational need(s) in an ASD Class, it is not discriminatory to refuse to admit to that class a Student who does not have the specified special educational need(s).

Athy College shall not charge fees or payments or seek contributions as a condition of admission or continued enrolment of a Student.

3 LEGAL FRAMEWORK

KWETB was established under the Education and Training Board Act 2013 which sets out the functions of all ETBs, including to establish and maintain recognised schools, centres for education and education and training facilities in each Education and Training Board's functional area.

The board of management of Athy College is a committee established under section 44 of the Education and Training Board Act 2013 and also constitutes a board of management within the meaning of the Education Act 1998.

The Education (Admission to Schools) Act 2018 and the Education (Welfare) Act 2000 place a duty on all recognised schools to prepare and publish an Admission Policy.

The Education Act, 1998 provides for an appeal process in the event of a refusal to enrol. The appeal process is set out in section 5.3 in respect of applications made to the First-Year Group and in section 6.3 in respect of applications made to all years other than the First-Year Group.

Section 62(7)(n) of the Education Act 1998 requires each school to set out in its Admission Policy the arrangements it has in place where a parent, or student over 18 years of age, requests that the student opt-out of religious instruction.

Athy College offers the NCCA-developed Religious Education curricula at Junior Cycle and Senior Cycle to all students. In accordance with the provisions of Circular Letter 0062/2018, Religious Education is offered in timetabled classes each week **without any religious instruction or worship of any religion forming any part of class activity**. Religious Education is a timetabled subject which may be inspected in terms of quality of teaching and learning and to evaluate strict accordance with Circular Letter 0062/2018. This clear separation of religious instruction from the NCCA Religious Education syllabus has the effect of ensuring that withdrawal does not arise for students

studying the NCCA Religious Education syllabus where the school provides the subject as part of its normal range of subjects.

4. GENERAL ADMISSION PROVISIONS

A decision on an application for admission shall be based on:

- the implementation of this Admission Policy,
- the annual Admission Notice of the school, and the
- information provided by the Applicant in the application for admission.

If, prior to the commencement of section 62 of the Education Act 1998 by the Education (Admission to Schools) Act 2018 on the 1st February 2020, Athy College had confirmed, in writing, that an Applicant had been placed on a list relating to the allocation of school places for entrance before the 1st February 2025, then this confirmation is still valid and the Applicant will be offered that place.

In processing an application Athy College **shall not consider**:

- 4.1 The payment of fees or contributions to the school;
- 4.2 A Student's academic ability, skills or aptitude; unless it is necessary to ascertain whether or not the Student has the category of special educational needs concerned for admission to a school approved by the Minister of Education and Skills providing education exclusively to Students with a specified category of special educational needs or a special class;
- 4.3 The occupation, financial status, academic ability, skills or aptitude of a Student's Parent(s);
- 4.4 A requirement that a Student or his or her Parent(s), attend an interview, open day or other meeting as a condition of admission;

- 4.5 A Student's connection to the school due to a member of his or her family attending or having previously attended the school ,unless the connection is a sibling of the Student concerned attending, or having attended, the school, or a parent having previously attended the school. However, the maximum number of places filled by this criterion does not exceed 25% of the available places as set out in the school's Admission Notice for that academic year.
- 4.6 The date and time on which an application for admission was received by the school as long as it is received during the period specified for receiving applications set out in the annual Admission Notice for that academic year.

Athy College will consider the offer of a place to every Student seeking admission to the school, **unless one of the following applies:**

- 4.7 The Parent fails to confirm in writing that s/he accepts the Student Code of Behaviour and he/she shall make all reasonable efforts to ensure compliance with such code by the Student;
- 4.8 The Student seeking admission to an ASD Class in the school does not have the category of special educational needs specified by the Minister of Education and Skills in respect of that class.

Where Athy College considers an application, each Student shall receive a place, unless the school is oversubscribed, in which case, selection criteria will be applied to each application.

Section 5 of this Policy addresses the selection criteria and other matters related to the admission provisions for the First-Year Group.

Section 6 of this Policy addresses the selection criteria and other matters related to the admission provisions for all year groups other than First-Year.

Section 7 of this Policy addresses the selection criteria and other matters related to the admission provisions for the ASD Special Classes.

5 APPEALS

If an Applicant is not satisfied with the decision of the board of management, or the board of management is not in a position to review the decision to refuse admission, the Applicant may apply to bring an appeal to an appeals committee established by the Minister for Education and Skills under section 29A of the Education Act 1998.

5.3.2. Appeal where refusal was for a reason other than oversubscription:

An Applicant who was refused admission to Athy College for a reason other than the school being oversubscribed and who wishes to appeal this decision may choose to put his/her appeal in writing, via a Section 29 Appeal Application Form, available from the school office and on the school's website, for it to be reviewed by the board of management of Athy College. Such an appeal must be brought within fourteen calendar days of receipt by the Applicant of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education and Skills after the publication of this policy, the same shall apply instead.

Alternatively, s/he may choose to apply to bring an appeal to an appeals committee established by the Minister for Education and Skills under section 29A of the Education Act 1998.

If an Applicant who chooses to appeal to the board of management is not satisfied with the decision of the board of management, the Applicant may also apply to bring an appeal to an appeals committee established by the Minister for Education and Skills under section 29A of the Education Act 1998.

5.3.3. Basis for appeal:

A Student applying for the First-Year Group but seeking admission to the ASD Class should see section 7 of this Admission Policy. If the Student is also applying for a place in the mainstream First-Year Group in the event of an unsuccessful application to the ASD Class, this section 5 is also applicable.

Oversubscription

When the number of applications exceeds the number of places available, the published selection criteria as set out at section 5.1.2 below will apply and a waiting list shall be compiled which shall remain valid only for the school year in respect of which the applications are made. Where Athy College is in a position to offer further school places that become available for and during that academic year, places will be offered in accordance with the order of priority in which Students have been placed on the waiting list.

For the avoidance of doubt, if a Student does not receive a place in the school for a given academic year, but s/he wishes to be considered for admission to the same year group in the following academic year, a new application must be made on behalf of that Student during the dates specified by the school as being the period when it will accept applications to all year groups other than First-Year.

Where an application is made on behalf of a Student for both the Special Class and a mainstream year group, and his/her application for one but not both is successful, s/he will remain in the same position on the waiting list for the group to which s/he was not successful, regardless of whether the Applicant accepts the place in the group to which the Student was successful.

Where the school is oversubscribed, any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not a Student is admitted to the school.

5.1.2 Selection criteria in order of priority

Athy College will apply the following criteria for admission to the First-Year Group:

5.1.2.1 If the Student resides in the Catchment Area;

5.1.2.2 If the Student has siblings currently enrolled in the school;

5.1.2.3 If the Student has siblings who were previously enrolled in the school;

5.1.2.4 If the Student had a parent or grandparent who previously attended the school (to a maximum of 25% of the places available);

Note: See section 7 for selection criteria applicable to admission to the Special Class.

5.1.3 Selection process

Athy College will apply the selection process as follows:

An Applicant will be offered a place in Athy College based on the number of the published selection criterion met by him/her *i.e.* an Applicant who meets three of the specified application criteria will be given priority over an Applicant who meets two of the specified application criteria.

Where two or more applications have met the same number of selection criteria and are tied for a place, Athy College will apply a random lottery to assign any available places in the school, or on the waiting list, to those applications.

N.B. The number of places available in a year group is subject to reduction in the event that a placement(s) in the Special Class is/are given to Student(s) from that year group, *i.e.* the selection process for the Special Class will be completed before the selection

process for the mainstream year group and the number of Students who are offered a place in the Special Class will be the number by which the places in the relevant mainstream year group(s) are reduced¹.

5.1.4 **Late applications**

An application received by Athy College after the closing date published by the school, and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy.

Where Athy College is oversubscribed and receives a late application for admission, that application will receive a place on the waiting list beneath Applicants whose applications were received by the school before the closing date for applications. Such late applications will be placed on the waiting list in accordance with the date and time they were received by the school, subject to sections 4.7 and 4.8 and subsequently the school's selection criteria will be applied in accordance with this Admission Policy.

Where Athy College is not oversubscribed and it receives a late application, the Student seeking admission will receive an offer of a place within the school, subject to sections 4.7 and 4.8 and the same process as applies to Applicants whose applications were received before the closing date will be applied *i.e.* an Acceptance Form will be issued to the Applicant for completion and return to the school within 2 weeks of issue.

5.1.5 **Second/third-round offers of a place**

Where a Student is in receipt of an offer of a place within Athy College but does not accept the offer, or fails to accept within the specified time period, or the school withdraws the offer in line with the relevant provisions of this Policy, the place will be

¹ This approach is based on section 2 of the Education for Persons with Special Educational Needs (EPSEN) Act 2004, which requires that: *“A child with special educational needs shall be educated in an inclusive environment with children who do not have such needs unless the nature or degree of those needs of the child is such that to do so would be inconsistent with the best interests of the child as determined in accordance with any assessment carried out or the effective provision of education for children with whom the child is to be educated.”*

offered to the next Student on the waiting list in a second-round of offers. This process will continue throughout third and fourth rounds *etc.* until all places within the school have been filled.

5.1.6 Acceptance of a place

If the Student in respect of whom the application is made is offered a place, the Applicant will be issued with an Acceptance Form by the school.

The Applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form by the date set out in the School's Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer. Failure to fully complete and return the Acceptance Form to the school by the date set out in the School's Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer, may result in withdrawal of an offer, in line with the grounds for refusal withdrawal of an offer, as set out below.

- v. The information contained in the application is false or misleading in a material respect.

5.1.8 Withdrawal of an offer

An offer of admission may be withdrawn where:

- 5.1.8.1. The information contained in the application is false or misleading in a material respect, or
- 5.1.8.2. The Applicant fails to confirm acceptance of an offer of admission on or before the date set out in the annual Admission Notice of the school for the academic year for which s/he is applying, or in the case of a late application, or second/third-round offer, within 2 weeks, or

5.3.5. **Appeal where refusal was for a reason other than oversubscription:**

An Applicant who was refused admission to Athy College for a reason other than the school being oversubscribed and who wishes to appeal this decision may choose to put his/her appeal in writing, via a Section 29 Appeal Application Form, available from the school office and on the school's website, for it to be reviewed by the board of management of Athy College. 7.1. ADMISSION PROVISIONS FOR THE SPECIAL CLASS(ES)

Athy College has two Special Classes, established to cater for the special educational needs of Students with Autism/Autistic Spectrum Disorders. Only applications in respect of Students whose needs fall within the category of special educational needs provided for by the Special Class will be considered. In this respect, the school requires that such needs of the Student be verified in a Relevant Report which has been prepared within the 12 months immediately preceding the Student's application to the Special Class.

Where the Special Class in Athy College is not oversubscribed, all Students whose needs fall within the category of special educational needs provided for by the Special Class will be offered a place in the Special Class, subject to sections 4.7 and 4.8. In line with section 4.8, where the Special Class in Athy College is not oversubscribed, all Children whose needs fall within the category of special educational needs provided for by the Special Class will be offered a place in the Special Class, subject to section 4.7.

7.1.1. Oversubscription:

When the number of applications exceeds the number of places available, the published selection criteria as set out at section 7.1.2 below will apply and a waiting list shall be compiled which shall remain valid only for the school year in respect of which the applications are made. Where Athy College is in a position to offer further school places that become available in the Special Class for and during that academic year, places will be offered in accordance with the order of priority in which Students have been placed on the waiting list.

Where an application is made on behalf of a Student for both the Special Class and a mainstream year group, and his/her application for one but not both is successful, s/he will remain in the same position on the waiting list for the group to which s/he was not successful, regardless of whether the Applicant accepts the place in the group to which the Student was successful.

For the avoidance of doubt, if a Student does not receive a place in the school Special Class for a given academic year, but s/he wishes to be considered for admission to Special Class the same year group in the following academic year, a new application must be made on behalf of that Student during the dates specified by the school as being the period when it will accept applications made to all years other than the First-Year Group for the Special Class.

If a transfer Student is offered a place in the Special Class from the waiting list, the offer is subject to there being a place available in the relevant year group for that Student. If there is not a place available in the relevant year group, the next person on the waiting list for the Special Class will be considered for the place in question but this will not change the initial Student's place on the waiting list for the Special Class for the remainder of that school year, *i.e.* if another place subsequently became available in the Special Class during that school year, the initial Student at the top of the waiting list would be considered first, but again subject to there being a place in the relevant year group for that Student.

For clarity, even if a place becomes available in a given mainstream year group, if there is a waiting list for that year group, the Students on that list have first refusal at the place in the year group irrespective of any matters relating to the Special Class.

Where the school is oversubscribed, any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not a Student is admitted to the school.

7.1.2. Selection criteria:

Applications to the Special Class will only be considered if the Student's needs fall within the specified category of special educational needs provided for by this class. Subject to this requirement, in the event of oversubscription, the following criteria for admission to the Special Class will apply:

- 7.1.2.1 If the Student resides in the catchment area;
- 7.1.2.2 If the Student has siblings currently enrolled in the school;
- 7.1.2.3 The greatest level of educational need, as determined by the Principal in consultation with the NCSE and/or NEPS, having considered the Relevant Report in respect of the Child;
- 7.1.2.4 If the Student had a parent or grandparent who previously attended the school (to a maximum of 25% of the places available);

7.1.3. Selection process:

Athy College will apply the selection process as follows:

Having met the criteria for admission to the Special Class, an Applicant will be offered a place therein Athy College based on the number of the published selection criterion met by him/her i.e. an Applicant who meets three of the specified application criteria will be given priority over an Applicant who meets two of the specified application criteria.

Where two or more applications have met the same number of selection criteria and are tied for a place, [XX School] will apply a random lottery to assign any available places in the Special Classschool, or on the waiting list, to those applications.

N.B. The number of places available in a year group is subject to reduction in the event that a placement(s) in the Special Class is/are given to Student(s) from that year group, i.e. the selection process for the Special Class will be completed before the selection process for the mainstream year group and the number of Students who are offered a place in the Special Class will be the number by which the places in the relevant mainstream year group(s) are reduced.²

² This approach is based on section 2 of the Education for Persons with Special Educational Needs (EPSEN) Act 2004, which requires that: “A child with special educational needs shall be educated in an inclusive environment with children who do not have such needs unless the nature or degree of those needs of the child is such that to do so would be inconsistent with the best interests of the child as determined in accordance with any assessment carried out or the effective provision of education for children with whom the child is to be educated.”

7.1.4. Late applications:

An application received by Athy College after the closing date published by Athy College, and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy.

Where Athy College is oversubscribed and receives a late application for admission, that application will receive a place on the waiting list beneath Applicants whose applications were received by the school before the closing date for applications. Such late applications will be placed on the waiting list in accordance with the date and time they were received by the school, subject to sections 4.7 and 4.8 and subsequently the school's selection criteria will be applied in accordance with this Admission Policy.

Where Athy College is not oversubscribed and it receives a late application, the Student seeking admission will receive an offer of a place within Athy College, subject to sections 4.7 and 4.8 and the same process as applies to Applicants whose applications were received before the closing date will be applied *i.e.* an Acceptance Form will be issued to the Applicant for completion and return to the school within 2 weeks of issue.

7.1.5. Second/third-round offers of a place

Where a Student is in receipt of an offer of a place within Athy College but does not accept the offer, or fails to accept within the specified time period, or the school withdraws the offer in line with the relevant provisions of this Policy, the place will be offered to the next Student on the waiting list in a second-round of offers. This process will continue throughout third and fourth rounds etc. until all places within the Special Class the school have been filled.

7.1.6. Acceptance of a place:

If the Student in respect of whom the application is made is offered a place, the Applicant will be issued with an Acceptance Form by the school.

The Applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form by the date set out in the School Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer. This includes indicating whether or not s/he has applied for and is awaiting confirmation of an offer of admission from another school.

Failure to fully complete and return the Acceptance Form to the school by the date set out in the school's Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer, may result in withdrawal of an offer, in line with the grounds for refusal withdrawal of an offer, as set out below.

7.1.7. Refusal:

Where a Student in respect of whom an application is being sought has not been offered a school place, the Applicant will be provided in writing with:

- 7.1.7.1 The reasons that the Student was not a offered a place in Athy College;
- 7.1.7.2 Details of the Student's ranking against the published selection criteria, if the year group to which the applicant is applying is oversubscribed;
- 7.1.7.3 Details of the Student's place on the waiting list, if applicable; and
- 7.1.7.4 Details of the Applicant's right to appeal the decision

In addition to the conditions for consideration of an application as set out at 4.7 and 4.8 an offer of admission may not be made where:

- 7.1.7.5 The information contained in the application is false or misleading in a material respect.

7.1.8. Withdrawal of an offer

An offer of admission may be withdrawn where:

- 7.1.8.1 The information contained in the application is false or misleading in a material respect, or
- 7.1.8.2 The Applicant fails to confirm acceptance of an offer of admission on or before the date set out in the annual Admission Notice of the school for the academic year for which s/he is applying, or in the case of a late application, or second/third-round offer, within 2 weeks, or
- 7.1.8.3 An Applicant has not indicated:
 - (i) whether or not s/he has applied for and is awaiting confirmation of an offer from another school(s) and if so, the details of the school(s);
and
 - (ii) whether or not s/he has accepted an offer of admission from another school(s) and if so, the details of the offer(s).

If an offer of a place is withdrawn by the school, the Student on whose behalf the application was made shall lose his/her place on the admission list or waiting list for that academic year and any subsequent applications for the same academic year on behalf of that Student shall be treated as a late application in line with section 7.1.4 above.

7.2. APPEALS

7.2.1. Appeal where refusal was due to oversubscription:

An Applicant who was refused admission because the school is oversubscribed and who wishes to appeal this decision must submit his/her appeal in writing, via a Section 29 Appeal Application Form, available from the school office and on the school's website, for it to be reviewed by the board of management of Athy College at Tomard, Athy, County Kildare R14 KT50. If an Applicant who chooses to appeal to the board of management is not satisfied with the decision of the board of management, the Applicant may also apply to bring an appeal to an appeals committee established by the Minister for Education and Skills under section 29A of the Education Act 1998.

7.2.3. Basis for appeal:
